

Norwich Seeks Local Contractors for Transportation Center

The City of Norwich and Norwich Community Development Corporation (NCDC) announced today that it has local, state and federal authorization to go to bid for the Norwich Intermodal Transportation Center (ITC). NCDC has been conducting outreach to Connecticut DOT-certified Minority and Disadvantaged Business Enterprises and is now informing all local and regional contractors of bidding opportunities available for the project. The ITC will be advertised for bid beginning Sunday, 3/7/10 in four prime contracts with multiple subcontracting opportunities:

- Site Work: including dewatering, deep pile foundations, cast-in-place concrete, underground utilities and landscaping;
- Precast Concrete Structure: including caulking, waterproofing and cable barrier systems;
- General Trades: including masonry, steel, miscellaneous metals, canopies, GFRC, rough carpentry, millwork, insulation, roofing, HM doors and frames, storefront, drywall, ceramic tile, ceilings, flooring, painting, signage, toilet compartments and accessories, fire extinguishers and parking controls;
- Mechanical-Electrical-Plumbing and Elevators: including fire protection, plumbing, HVAC, electrical, and elevators.

All subcontractor trades are encouraged to contact bidding prime contractors for full participation in the project.

Project Schedule:

| | |
